

ISLAND RESORT
CO-OP RV PARK
NEWARK, MARYLAND

Island Resort offers recreational vehicle and deluxe cabins that overlook two lakes which are stocked with fish for our catch and release program. You can rent a kayak and fish, or take a day trip from our launch site and enjoy the wildlife of the bay. Our pool is heated and can be enjoyed for many months of the camping season with a deck that jets out over the lake. If you enjoy the sand in your toes, then pull up a chair on our beach along the lakes edge while the kids play.

At the end of the day come sit under our spacious gazebo and experience a breath taking sunset. The campground is located just minutes from the boardwalk in Ocean City and the famous ponies of Assateague Island. If the beach is not for you, then the quaint towns of Berlin and Snow Hill are a short drive and offer antique shopping or a day of golf.

If a peaceful relaxing vacation is what you seek, then Island Resort Campground is the place for you and your family (Please see [rates](#) on the other side).
