

1996 Bel Air Boys' Soccer

Dear Parents, Players and Spectators:

The Bel Air Parks and Recreation Committee welcomes you to the 1996 Fall Boys' Soccer program. As Boys' Soccer Chairman I extend a warm welcome to all those who will participate in this year's program either as a participant or as a volunteer.

Our primary goals remain the same: to provide recreation, to develop fundamental soccer skills, instill sportsmanship and to provide friendly competition. The satisfaction of the game on the Parks and Recreation level is that "everyone plays". Because our emphasis is on participation, our soccer program strives to make winners of all competitors.

It is important that parents understand that the program deliberately de-emphasizes the competitive nature of the U-6 and U-8 age groups with the primary focus on learning fundamentals. Beginning with the U-9 age group we plan a practice season with a competitive post-season tournament. Appropriate trophies will be awarded at the end of the tournament.

The success of our program is directly related to the quality time provided by our volunteers. Many of them are first generation soccer parents and are learning the skills along with the players. Others have taken coaches' clinics to expand their expertise. At all levels we find that our volunteers enjoy soccer and their enthusiasm swells our numbers.

On behalf of the 1996 coaches and age group commissioners, I wish you all a satisfying and enjoyable season.

Sincerely,

Bill Pickett
Boys' Chairman

Bel Air Boy's Soccer League Rules

1) **Official Rules:** National Federation of State High School Rules apply except as amended by league rules herein, or by exceptions distributed by league commissioners.

2) Game Length/Ball Size:	<u>Division</u>	<u>Game Length</u>	<u>Ball Size</u>
	Under 14	Two 30 min. halves	5
	Under 11&12	Two 30 min. halves	4
	Under 9 & 10	Four 14 min. quarters	4
	Clinic	Four 15 min. quarters	3

3) **Rules for Quarter Play:**

A) The game will be started with a kick off at the beginning of each quarter. One team kicks off the first and second quarters; the other kicks off the third and fourth quarters.

B) The referee will stop the game at the end of the first and third quarters only long enough for rapid substitutions. A five-minute time out will be allowed only at half time.

C) Team direction of play will change only at half time.

4) **Forfeit Rule:** Forfeit time will be 10 minutes after the scheduled start.

A) 11 a-side: A team may start a game with eight players and finish with as few as five.

B) 7 a-side: A team may start a game with five players and finish with as few as four.

5) **Uniforms/Equipment:** Players must wear their uniforms: team shirt, team socks and pocketless shorts.

Goalies **MUST** wear a different colored shirt from any other shirt on the playing field. All players **MUST** wear shin guards and soccer shoes or multi-purpose shoes. Indoor soccer shoes, flat bottomed sneakers, and steel spiked shoes are not acceptable. A player wearing a cast, splint or jewelry of ANY kind **CANNOT** play. The referee will inspect each player's apparel for compliance with league rules before the game begins. Coaches will ensure that each player is wearing shinguards.

6) **Playing Time and Positions:**

A) Quarter Play: Each player must play the equivalent of two full quarters. The remaining playing time being at the discretion of the coach.

B) Half Play: Each Player should play half of the game (30 min.), the remaining playing time being at the discretion of the coach.

C) No player may play more than half the game at goalie. If a player plays a full half at goalie, he must then play half the remaining game at another major position.

D) Exception to the playing time rule is allowed when a player is injured, carded, or arrives after the game has started. In these cases, the coach will decide how and when to play this player. Also, repeated unexcused absence from practice and games may justify an exception to the playing time requirement, provided the league commissioner is consulted before action is taken by the coach.

League commissioners may revise these rules during tournament play.

7) **Substitution:**

A) Unlimited substitutions are permitted by the *team in possession* of the ball on throw-ins or corner kicks. *Either team* is permitted unlimited substitutions on a goal kick, after a goal has been scored or between periods.

B) Injury: Both teams may make a one-player substitution when an injured player leaves the game.

C) Yellow Card: A player who is yellow carded must be substituted for, or removed from the game, and must remain on the bench for at least three (3) minutes.

D) Red Card: There will be no replacement for a red-carded player. Both teams may substitute for other players.

E) Penalty Kick: Player substitution is not allowed, however, a player in the game at the time of infraction may replace the goalie.

F) Referee's Permission: Except for substitutions at the start of each half, all substitutions will be made at the referee's signal after the coach has requested permission to substitute. ALL goalie substitutions will report to the referee before assuming their position at goal.

- 8) Referees:** Referees have the jurisdiction from the time they enter the field of play until they signal the end of the game. The referee's decisions are final.
- 9) Suspension:** Any player, coach or spectator who is red carded will be suspended through the next league game. If after returning from suspension, the same individual is red carded again during the same season, that player or coach will be suspended from league play for one calendar year from the date of the second incident. The suspended person has the right to appeal for possible reinstatement to the Boys' Chairman. Their appeal must be in writing and received within seven calendar days of the incident.
- 10) Scoring/Standings:** Two points are awarded for a win, one point for a tie and "0" points for a loss. Division standings will be decided on total points for the entire season. If teams are tied on the basis of total points, and other tiebreakers are not provided, use the following:
- A)** Award the higher standing to the winner of matches between the tied teams.
 - B)** If still unresolved, award the higher standing by a flip of a coin.
- League commissioners may substitute other scoring and tiebreaker rules for their division.*

Questions/Problems: Any questions, situations or disputes not covered by the above rules shall be referred to the Boys' Chairman for review and final determination.

Post Season Tournament and Rules

In the past several years the Bel Air Boys soccer program has held a post-season tournament in lieu of entering the Harford County Tournament. We have done this because our in house distribution of player talent created a competitive imbalance when playing in the County tournament. Each age group starting with U-9 will have a two-tiered tournament: a Gold Division (4 teams) and a silver Division (4 teams). Placement of teams will be determined by their season records and head-to-head competition. Final division placement and seeding will be determined by the age group commissioner. Each team will play every other team in its division for a total of three games. All ties will be broken by a shootout following the game.

A coach may use the same player as goalie the entire game and he does not to play a player in more than one major position. The rule regarding minimum playing time per player is still in effect.
