

# A Conversation In Another Place

- Marvin Land:** Well hello Sophie. It is nice to see you again.
- Sophie Land:** How can we speak? Mom and Dad never learned my words.
- Marvin Land:** Language barriers here are no more, and they always knew your needs.
- Sophie Land:** Wuff, I mean wonderful. Where am I?
- Marvin Land:** You are in another place where you can run free and ...
- Sophie Land:** I can have all the snacks I want! Where are you?
- Marvin Land:** I am in Heaven, but I am watching over you.
- Sophie Land:** So if you are in Heaven, where am I?
- Marvin Land:** You are just this side of Heaven, at the *Rainbow Bridge*.
- Sophie Land:** Please tell me more, and give me more snacks.
- Marvin Land:** All sick, injured and old animals are now young and healthy.
- Sophie Land:** Can I do rollovers and swim again?
- Marvin Land:** You can run and play in the eternal sunshine with all the animals.
- Sophie Land:** This place is great, but I miss Mom, Dad and everyone else.
- Marvin Land:** They will be along some day, and you will be able to give them love.
- Sophie Land:** And plenty of licks! But, what will happen then?
- Marvin Land:** Everyone will then cross the *Rainbow Bridge* together towards Heaven.
- Sophie Land:** Until then, can I still reach out to my pack from time to time?
- Marvin Land:** Yes. They still have you on their minds and in their hearts.
- Sophie Land:** One last question. Can I finally have some chocolate?
- Marvin Land:** Yes. Now go run and play with your animal friends.
- Sophie Land:** Everyone follow me to the swimming pond!
